Product description

"Mirror" it is a wooden mosaic with mirror, was made by Milosz Braun.

All items made by hand.

The elements are made of raw wood and colored with an organic water stain, harmless to people and animals. .

All of the material used is recycled. Therefore, forests are not destroyed, the amount of waste does not increase.

The painting is protected by a colorless, water-based, ecological varnish.

The exhibited wooden paintings are exemplary offenses.

On request, the artist will make mirror according to your needs - size, colors.

Time of production - up to 14 days.

All details are set individually.
